MARCH 2006 SYSTEM BOARD EXPLAINATION PAGE:

SWA-1601. Deadlocked at Special System Board.

SWA-1603. SWA-1610. SWA-1611. Awarded. Company agrees that the grievants were not given the opportunity to receive the training that the overtime required. Grievance was filed in 2005 and no hours will be added to the 2006 totals.

SWA-1606. Settled. All windows sent out to vendor were returned to PHX and worked by SWA mechanics.

SWA-1608. Settled Prior. Reinstated at Special System Board.

SWA-1609. Denied. Company used the correct hours that were added at the beginning of Day shift.

SWA-1612. Denied. OTCS has the right to correct the call-out and the correct person was awarded the overtime.**

**The airline reps. met with the company tech department following the system board. One subject in the meeting was a request to have a "SEE REMARKS" option added to the OTCS caller's pull down menu. This would alert both the OTCS caller to put in an explanation of what actually transpired, and let the member to know exactly what took place.
